

STAFF UPDATES & NEWS

Edmonton Office

Jason Schultz has joined as a Technologist. Jason will be assisting with the Emergency Planning Safety and Environmental Services. Rachel Conroy has come aboard on a part time basis as office administrator. Stewart Hayne relocated from our Hinton site office as a technologist. Congratulations Curran Chronik on obtaining the Certified Engineering Technologist designation (CET) from the Alberta Society of Engineering Technologists (ASET). Margaret Nethercut received her 3 YEARS OF SERVICE Award with PHH. Jason Dent who has worked for PHH during previous summers has returned to work for the 1999 summer.

Dan Lawrysyn has relocated from our Regina office to Edmonton as a Project Coordinator.

Calgary Office

Chris Jodouin received his 3 YEARS OF SERVICE Award with PHH. Scott Dionne relocated from our Victoria office to Calgary as a technologist.

Victoria Office

We have a new face in Victoria and she is Catie Robertson, joining us as a technologist. Catie has a BA in Geography (specializing in Resource Management and Conservation) from the University of Victoria. She has worked as a tree planter, a research assistant for Statistics Canada, a research assistant for the BC Ministry of Health and at an orangutan rehabilitation centre in Indonesia.

Richmond Office

Michael Mysak joined our office as Project Coordinator recently. Emily Bulloch and Nancy Sheard celebrated their 3 YEARS OF SERVICE Award with PHH.

David Quan has joined as a P/T Technologist as well as Michelle Kinakin starting as our new Controller.

Presentations

John Holland presented seminars on Hazardous Material Management at the Lower Mainland and Vancouver Island Demolition Material Diversion Symposia on April 21 & May 3.

John Holland and Jim Bagley spoke at the Pacific Business and Law Institute conference on Leaky Building Lawsuits in Vancouver on February 26 and at the SPOA conference in Penticton on June 2.

John also spoke at the BC Municipal Safety Conference in Richmond on Indoor Air Quality on March 29.

Publications & Books for Sale

PHH is now selling the 1996 North American Emergency Guidebook to its best clients at a reduced price. This is fundamental training resource material used in both our Environmental First Response and Transportation of Dangerous Goods training courses. Spiral Bound: \$9.50 per copy.

WHMIS Participant Workbook \$5.75 ea.

WHMIS Participant Handbook \$5.50 ea.

TDG Participant Hand Book \$12.00 ea.

(plus GST and shipping charges)

For information call 1-780-425-6600 extension 28 or e-mail Jacque Sabourin at jsabourin@phh.worldgate.com.

Positions Available

Our Edmonton office is seeking an Occupational Hygienist with 3-5 years experience in consulting and/or project management. E-mail resumes in confidence to Mr. Steven Wilk, CIH, ROH, Vice President at swilk@phh.worldgate.com.

New Health & Safety Program

PHH has introduced a new corporate health and safety manual and program for all staff. Highlights of the program include: Pre-job hazard assessment procedures, new employee orientation, staff safety meetings, and employee certification such as H2S Alive and Emergency First Aid.

Watch for Our New Look

PHH has been working with Backstreet Graphics of Edmonton to develop new promotional literature

and a new logo to celebrate 15 years of service. Our new look will be introduced in the summer of 1999.

We Now Accept Visa

Book orders, attendance at courses and project work up to \$5,000 can be ordered through your corporate or personal VISA account.

Toll Free Number

You can reach us toll free from anywhere in North America at 1-877-322-4744 or 1-87-REACHPHH.
